ECOSSET REDIRECT

Materials Diversion Services - Los Angeles

With a plan in place, it's not waste.

EcoSet ReDirect is a fee-based alternative to dumpsters and landfills in Los Angeles. With advance planning and budgeting for responsible disposals, your production or event can achieve a better behind-the-scenes.

HOW IT WORKS

Request an estimate online

Do better than a dumpster! Use your disposal budget for our reuse diversion services in LA.

Schedule a pick up or drop off

It's most affordable when you drop off to our facility with your own vehicle and unloading labor.

We divert your materials

EcoSet recirculates all of your materials to our growing network of reuse recipients.

WHAT WE TAKE

Sets and Scenic

Set walls, platforms, custom fabrications, back drops, stairs, flooring, metal, lumber, sheet goods, wood scraps

Set Dressing, Props and Products

Props, furniture, decor, signage, clothing, merchandise

Reusable Discards

Art and craft materials, lighting expendables, layout board, location protection, packing materials, rope, fasteners, hardware, foam, foam board, acrylic, PVC, vinyl, plastic sheeting, seamless paper, surfaces, textiles, scrap fabric and much more

Give purpose to your surplus.

Leverage your leftover production and event materials to benefit **schools, non-profits, theaters, filmmakers, artists** and others. All items are recirculated at no cost to the recipient through EcoSet's award winning **Materials Oasis** reuse center. ecoset.la/materials

Materials Diversion Services - Los Angeles

Industries We Serve

film and television productions / commercial shoots
experiential marketing and events / conferences and conventions
venues and businesses

Large and small, we manage all creative impacts and surplus production elements.

Intake Capabilities

Types of loads we can receive:

- ✓ 52' semi trailers and LTL deliveries
- ✓ 45' low boy trailers
- ✓ Stake bed or box trucks
- ✓ Van, pickup truck or passenger vehicle loads
- ✓ Pallets and skids

Storage Clear-Outs and Asset Purges

EcoSet ReDirect is your convenient one stop shop for storage and asset purges (props, set dressing, scenic, wardrobe, marketing materials, any type of reusable items). Custom quotes require a site visit and any available materials lists, photos, renderings, etc. Pick up and receiving options are available.

Environmental Benefits

- ✓ All reusable materials are given an extended lifecycle through our strategic diversion process
- ✓ Unrecoverable wood and construction materials are recycled as C&D waste
- ✓ Scrap metal, plastics, foam, paint and electronic waste are recycled if unable to be donated

We can provide waste diversion metrics for your sustainability tracking. See ecoset.la/work-samples

SERVICES / RATES / COST RANGES

Flat Rate Pick Up Services

Hire EcoSet to pick up from your project location.

Price:	Service / Vehicle:	Diversion Volume:
\$575 / load	Flat rate cargo van pick up service (includes driver for loading)	Avoids two 3-yard dumpsters
\$1,800 / load	Flat rate box truck or stake bed pick up service (includes driver and 1 laborer for loading)	Avoids one 40-yard dumpster

Receiving Services

Your team preps and loads the materials, and schedules transport and delivery. EcoSet receives and diverts your sets, set dressing, products, surplus materials, custom environments and more.

- \$250 - \$300 / intake full cargo van load
- \$600 - \$800 / intake 16' box truck or stake bed load
- \$1,000 - \$1,200 / intake 24' box truck or stake bed load
- \$3,500 - \$3,800 / intake 45' low boy trailer load
- \$5,000 - \$6,000 / intake 48' or 52' semi trailer load

All rates and cost ranges include receiving labor, forklift operation and materials diversion process.

Custom Project Rates

Hire EcoSet for a project rate or additional on-demand logistics.

- ✓ Request a custom estimate for labor and logistics during the wrap out process if your project will span multiple days or multiple loads.
- ✓ Ask us about other markets (travel and additional coordination costs incur).
- ✓ We offer hourly consulting to achieve waste avoidance during the planning stages.
- ✓ **Non-Standard Item Surcharge:** Additional fees apply for oversized items (400+ lbs), MDF fabrications, steel structures, flats larger than 12' height or width.
